9	Week 1 Review	All	November 2nd	/	/
10	Week 2 Review	All	November 5th	/	/

We plan to implement Saving/Loading as well as Scoring to our next minor release. We will also work towards improving the appearance and functionality of the already implemented use cases through minor changes to our GUIs and other code.

The group members will communicate through our Whatsapp group and commit to responding within 24 hours.
